

The company **[“Innovations. Business Travel.”](#)** wishes to express its respect and offers its services in organizing performances of Russian folk music groups:

- ✓ **Organization of choir performances from Moscow, St. Petersburg and other Russian regions.**

This includes traditional folk song folklore, original songs by contemporary composers of Russia, spiritual works. Concert performances of the choir are a kind of folk song theater with alternating colorful game scenes, folk dances, solo numbers and ritual mini-performances. The chorus programs are extremely dynamic and multi-genre. Most of the gaming, comic, dance songs and round dances, which are played in concerts, are performed in motion.

- ✓ Organization of performances of Russian orchestras of classical music.
- ✓ Organization of performances of Russian harmonists and accordionists.
